Dear Mr. Gantt:

Thank you very much for all the work you have done for National Coin Week.

I am sending the list to A.N.A. headquarters and to the best of my knowledge you will receive medals for all the people mentioned instead of certificates and you will make the presentations to them.

If you brought in a new member to A.N.A. ^{Coin} ~~in~~ National ~~Coin~~ Week, you will also receive a medal for this.

I am sorry that I do not have any literature pertaining to NCW, but drop a note to Edward C. Rochette, Executive Director, A.N.A., Box 2366, Colorado Springs, Colo. 80901. If there is any available, he will send it to you.

Kindest regards.

Sincerely,

Maurice M. Gould

Dear Mr. Gould,

Just a note to you to share some of
my activities during National Coin Week -
Apr. 21-27.

Am also enclosing a list of individuals,
and several Business Establishments that were
so very helpful in promoting N.C.W.

It will be greatly appreciated if you would
send Certificates of Award made for the
following:

1. Mayor Rodman Lamon - Barnwell, S.C.
2. COINS OLD & NEW - BARNWELL, S.C.
3. REID BOYLESTON, III
4. HERMAN JONES
5. SENATOR: SOLOMON BLATT, SR.
6. REID'S RED & WHITE FOOD STORE
7. JOE D. GANTI ANA-EM 1003
8. S.C. STATE HOSPITAL - LEIBER BLDG. - WARD 136

One of my most rewarding experiences, ever, and something unique, I believe - was during N.C.W. I displayed Coins; and gave short talks concerning them in several wards of The S.C. State Mental Hospital.

This is why I have included Leiber Bldg. - Ward 136 in my list of Certificates of Award. Everyone, Staff, as well as Patients were so very helpful, and interested.

I feel sure that an Award Certificate to hang in their ward office would be very appreciated.

Now, I have a personal request. If you have any copies of the Literature promoting N.C.W. - 1974, will you please send some extra copies to me?

Thank you kindly for your help.

Sincerely,

Joe D. Gantt ANA-LM 1003

P. S.

Mr. Gould,

How do I obtain the Commemorative
National Coin Week Medal produced
by The Franklin Mint?

Any helpful informative will
be appreciated.

Thank you,

Joe D. South
